Principle projects and grants

Yehudi Menuhin Competition

The Foundation supported 2 prize winners of the Yehudi Menuhin Competition 2021 with educational grants.

Musica en Segura

During the year, the Foundation continued its annual support to Musica en Segura in the form of a grant, which enabled it amongst others, to increase the number of concerts and participating musicians. Since Covid restrictions were lifted the festival took place in person which also allowed for an extensive outreach programme.

Southbank Sinfonia

The Foundation continues its long-term support to Southbank Sinfonia through the long-term loan of two instruments.

Other

The Nicolo Gagliano violin is on a long-term loan to Diana Adamyana, a first prize winner of the Yehudi Menuhin Competition and the Khachaturian Violin Competition.

The foundation supported the production of a CD by Mario Mora and Lorenzo Meseguer as part of our continued support to these musicians. The launch of the CD took place in May 2022.

Future planned activities

The Foundation will continue its programme of support through 2022 and beyond.
