| Bank and other charges | 793 | 89 |
| Balance for the year (surplus/deficit) | 15.403 | (89) |

Key events

The Board is pleased with the 3 year sponsorship agreement with Southbank Sinfonia. Under this agreement, a bursary is provided every year to a promising young musician to fund a year-long programme of activity to help them transform their prospects and fulfill their potential.

A second payment under the agreement will be made in early 2014.

The Board is also proud to present the book on the life of Henri Moerel. The book will be provided to parties interested in sponsorship of the Foundation.

Other grants were made to Bury Court Opera and the Jacob Soetendorp Institute for Human Values and the Jewish Society in Tilburg.

In April 2013, a violin was been acquired. The violin is the first instrument to become part of the Foundation's Instrument Loan Programme.

Planned activities for 2014

It was decided to further support Bury Court Opera again in 2014.

Further opportunities to acquire instruments to support the Instrument Loan Programme will be explored.
